Dear Parents & Carers,

## **POSSIBLE REOPENING OF SCHOOL TO MORE PUPILS IN JUNE**

We hope you and your families are all well.

As you may be aware, the government has announced that schools may reopen on 1st June to Year 6 pupils **if** the government thinks it is safe then.

We are aware that you might have lots of questions about what will happen to your children with regards to school in the coming months. For further information you can read the government guidance for parents using this link:-

<https://www.gov.uk/government/publications/closure-of-educational-settings-information-for-parents-and-carers>

Using similar guidance published to schools yesterday evening, we will create an action plan for our phased reopening. We will share this with you as soon as possible so you know what this will look like in practice. Planning for young children to socially distance will certainly be a challenging part of our teaching for the future. With this in mind, we would ask that you are patient whilst we set about this task. However, please be assured that the safety of our children, staff and families will be our key priority before any type of re-opening can be put in place.

For now we will continue to remain open for the children of those parents/carers who are key workers and only for those who cannot be safely cared for at home. For the majority of those who are not at school we will continue to provide activities for learning and having fun at home through FROG.

Please keep in contact, stay safe and continue to support your children at home as best you can.

Yours sincerely,

Mrs K Nahal  
Co-Headteacher

Mr N Wilkey  
Co-Headteacher
